Lab 1

Unity: Using the GUI and the Car Tutorial

Preparation (due at the start of class, Tuesday, Aug 30)
Watch the four Unity Tutorial Videos on the Web:
http://unity3d.com/support/documentation/video/

- Tutorial 1: Introduction: (1.20 min)
- Tutorial 2: Scene (2:40 min)
- Tutorial 3: The Inspector (1.27 min)
- Tutorial 4: Parenting (1:07 min)

During Class: Car Tutorial (parts 1 & 2)
http://unity3d.com/support/resources/tutorials/car-tutorial
1) Assembling the Car: How to assemble a Car Prefab from a 3D model, scripts and components.
2) Tweaking the Car: How to tweak the car to behave "better" or in different ways.
